2. This is the 1st continuance filed by the Defendant in the present case. The Special Assistant United States Attorney does not/does object to this motion. 3. Submitted on: INITIAL DOCKET: XAMA Zullar Defendant or Attorney for the Defendant
The court finds that the ends of justice served by the granting of such continuance outweigh the best interest of the public in a speedy trial for the following reason(s):
[] Failure to do so would likely result in a miscarriage of justice. [] The unusual nature or complexity of the case makes it unreasonable to expect the Defendant to adequately prepare for pretrial proceedings or trial within the time limits set forth in 18 USC 3161. [] Failure to do so would deny the Defendant reasonable time to obtain counsel; [] Failure to do so would unreasonably deny the Defendant continuity of counsel; [] Failure to do so would deny the Defendant the reasonable time necessary for effective preparation, taking into account the exercise of due diligence.
Accordingly, the continuance is ALLOWED. The intervening time from 8-13-15 to 13-8-2315 is excluded from speedy trial computation under 18 USC 3161.
